## Wadsworth City Schools

### Isham, Overlook and Valley View Elementary Schools

Wadsworth, OH | 50,000-55,000 SF | \$18,790,000

TBA provided MEP and technology design for 3 new elementary schools - Isham, Overlook and Valley View. The three 2-story 50,000 SF to 55,000 SF schools achieved LEED Silver certification.

### Wadsworth High School

Wadsworth, OH | 450,000 SF | \$59,865,100

450,000 SF mixed-use high school and community campus. The high school is 380,000 SF. The attached 70,000 SF community facility incorporated a health center, fitness center, Center for Senior Citizens, WCTV, and a community library. TBA provided mechanical, electrical and technology engineering services for this \$59,865,100 project.
