## Green Municipal Administration Building

### The City of Green

Green, OH | \$8,000,000 | 53,600 SF

New administrative offices to house several city departments and the local board of education. The facility houses administrative offices, council chambers and emergency operations center. The architectural vernacular incorporates traditional “town hall” elements and is connected by a walkway and pavilion to a reflecting pond.

### Structural Systems:

**Foundation:** Spread footings

**Structure:** Composite steel beam system
